## EUROPEAN INVENTORY FOR GROUNDWATER RESEARCH

SHOWCASE YOUR RESEARCH TO OTHER EUROPEAN PROFESSIONALS WORKING IN THE WATER SECTOR

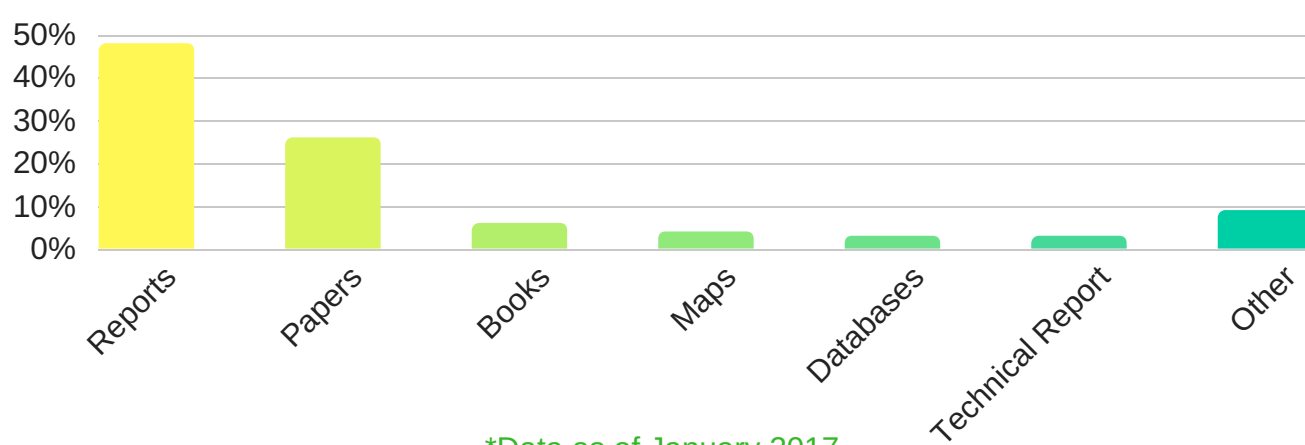

The inventory is based on a unique classification that envisages the interaction of 3 main categories through a 3D approach, where along each axis the 5 overarching groups are indicated.

2D -presentation for each of the Societal Challenges, where Operational Actions and Research Topics intersect in a 5x5 matrix.

## NEARLY 2000 COMPLETED METADATA RECORDS\* FROM EUROPEAN RESEARCH SINCE 2000
